

A Mother's Day Remembrance

If you are looking for a unique way to say thank you to your Mom this Mother's Day, would you consider a commemorative gift in honor or memory of your Mom.

We will take that gift and use it to help walk alongside young moms to educate and offer practical assistance. Often these women are in crisis situations and make the difficult decision to give birth to their child when those around them urge them to end their pregnancy. Some are single moms who are alone with the responsibility of raising their children. Each day when the doors open to Alpha's Glory, God's love and light touches and changes the lives of these precious women, giving hope and encouragement.

What better way to honor your mother than by helping another mother during a time of great need in her life. We will acknowledge your gift with a card and also in an upcoming newsletter if you desire. On the enclosed certificate indicate the name of your mother along with her address. In the case of a memorial we shall send the tribute letter to the named person.

This gift that you give today makes a difference for a lifetime.

Being a mother is a gift too great to comprehend. Having a mother is a blessing too beautiful for words.

Gift Given in Honor of _____

Please accept my Honorarium Memorial Gift of

\$25 \$50 \$100 \$250 Other _____
